Student Representative

To:	Committee Members	Copies to:	
From:	Geary Greenleaf, Chair	Julie McCall	Karla Rivers
Subject:	January 14, 2004 Meeting	Marleen Musso	Laurel Williamson
Date:	January 15, 2004	LCC Library	

The Curriculum Committee met Wednesday, January 14 at 3 p.m. in LIB 103.

Members Present: Mark Bergeson, Pat Boerner, Rita Fontaine for Deborah Brink, Steve Byman, Dawn Draus, Brendan Glaser, Geary Greenleaf, Rita Catching for Helen Kuebel, Ann Kaneko, Therese Montoya, Charlotte Persons, Joel Schaaf, Betty Vickrey, and Amanda Pink

Also Attended: Ken Ecklund, and recorder Kristy Enser.

Geary Greenleaf called the meeting to order at 3:05 p.m.

The December minutes were approved with no changes.

Ken Ecklund presented a proposal to revise the Auto and Diesel AAS degree programs by changing the math requirement from MATH 106 to MATH 92 or higher with MATH 106 recommended. A brief historical discussion followed with Ecklund explaining that MATH 106 does nothing for students seeking a transfer degree.

Rita Fontaine moved to approve; Charlotte Persons seconded. Motion passed with no opposition. Effective retroactive to Fall 2003.

Kristy Enser notified the committee that work has started for the 2004-2006 Catalog. Enser asked committee members to let faculty know that any program changes, additions, and/or deletions need to be submitted to Curriculum Committee by the March meeting. All faculty have already been notified by e-mail and will receive periodic updates.

Geary Greenleaf gave a brief background about the LCC/Clark College/WSU Vancouver – Science and Engineering Institute. Each course within the Institute will have unique numbers and will have to be

approved by both LCC and Clark College's curriculum committees. More information will be provided at the February meeting.

Meeting adjourned at 3:35 p.m.
