Date:	June 8, 2018	Britney Deal, Dani Trimble

Members present:	Tamra Bell, Becky Connolly, Kyle Hammon, Melinda Harbaugh, Mary Heber, Karen Joiner, Jake Laes, Tamara Norton, Nick Poe, Betsy Richard, Courtney Shah, Maggie Stuart
Also Attended:	Mark Gaither, Sarah Griffith, Jennie Mynhier, Heidi Patrick, Stefan Rijnhart, David Rosi, and Nicole Buffham, Recorder

The Curriculum Committee met Wednesday, June 6 at 3:00 pm in HSB 235.
 Opening remarks were made by Karen Joiner.

Proposal from Heidi Patrick:		
A.	New Course	HSC 069 , Art of Film
		1-5 cr, 22-110 lab
Rationale: This class provides an additional option for a fine arts or elective credit needed for High School completion as a result of increased Fine Arts requirements by the WA State Legislature. Art of Film incorporates appreciation of visual medium with writing skills, dramatic interpretation, and historical context.		
Resolution: Betsy made a motion to approve; Tamara seconded. Motion carried with cleanup. <i>Effective: Fall 2018</i>		
Proposals from Jennie Mynhier:		
B.	Revise Degree	Art & Design AA-DTA
		90 cr total
Rationale: The Art & Design (formerly Art) DTA has not been reviewed or updated in a number of years. The proposed changes reflect current course offerings, and eliminate discontinued course offerings. This includes an update to the program name and description to reflect the addition of graphic design course offerings.		
Resolution: Amendment: add ART 130 Intro to Graphic Design to recommended electives. Maggie made a motion to approve; Betsy seconded. Motion carried. <i>Effective: Fall 2018</i>		
C.	Revise Course	ART 106 , Two-Dimensional Design
		5 cr, 33 lec, 44 lab
Rationale: Course has not been updated in many years. It is a foundation course required for art majors and considered an elective for non-art majors. These changes are meant to align the course with similar courses at other colleges and universities for successful student transfer.		
D.	Revise Course	ART 107 , Color Theory and Design
		5 cr, 33 lec, 44 lab
Rationale: Course has not been updated in many years. It is a foundation course required for art majors and considered an elective for non-art majors. These changes are meant to align the course with similar courses at other colleges and universities for successful student transfer.		
E.	Revise Course	ART 108 , Three-Dimensional Design
		5 cr, 33 lec, 44 lab
Rationale: Course has not been updated in many years. It is a foundation course required for art majors and considered an elective for non-art majors. These changes are meant to align the course with similar courses at other colleges and universities for successful student transfer.		
Resolution: Items C-E: Courtney made a motion to approve; Kyle seconded. Motion carried.		

<i>Effective: Fall 2018</i>		
Proposal from Maggie Stuart:		
F.	Revise Degree	Business Management AAS 92 cr total
Rationale: Changing required elective credits from 3 to 5 will enable Business Management students who are also pursuing the Retail Management Certificate to receive financial aid for taking BUS 159 Principles of Retailing.		
Resolution: Tamara made a motion to approve; Melinda seconded. Motion carried with credits adjusted to 92. <i>Effective: Fall 2018</i>		
Proposal from Stefan Rijnhart:		
G.	Revise Course	IT 140, Configuring Windows OS 4 cr, 22 lec, 44 lab
Rationale: Request to change course number to coincide with the suggested course numbering scheme. (Discrete courses not part of a series.) IT 143 change to IT 140.		
Resolution: Maggie made a motion to approve; Courtney seconded. Motion carried. <i>Effective: Summer 2018</i>		
Proposals from David Rosi:		
H.	Retire Certificate	Help Desk Technician COC 12 cr total
Rationale: Work requirements for getting IT entry jobs and new AAS degree render this certificate outdated.		
I.	Retire Certificate	Networking COC 15 cr total
Rationale: Work requirements for getting IT entry jobs and new AAS degree render this certificate outdated.		
J.	Retire Certificate	Programming COC 15 cr total
Rationale: Work requirements for getting IT entry jobs and new AAS degree render this certificate outdated.		
K.	Retire Certificate	Web Development COC 13 cr total
Rationale: Work requirements for getting IT entry jobs and new AAS degree render this certificate outdated.		
Resolution: Items H-K: Kyle made a motion to approve; Betsy seconded. Motion carried. <i>Effective: Spring 2018</i>		
Proposals from Mark Gaither:		
L.	Revise Degree	Administrative Services Manager AAS 108 cr total
Rationale: Degree revision includes addition of BUS 100 and BUS 101 to the program requirements to accommodate student access to I-BEST services for that course.		
M.	Revise Degree	Medical Office Administration AAS 110 cr total
Rationale: Revise program description. Degree revision includes addition of BUS 100 to the program requirements to accommodate student access to I-BEST services for that course. Additional changes include the inclusion of optional courses to provide a student the opportunity to select either a "Child" or "Adult" specialization in Community, Health, & Wellness Advocate pathway. This has been reviewed and supported by partner agencies and the BUS & IT Advisory Committee. Amendment: ECED 180 replace with EDUC 150 (both 3 cr).		
N.	Revise Certificate	Administrative Support COP 56 cr total
Rationale: Corresponds to degree revision with addition of BUS 100 to the program plan to accommodate student access to I-BEST services for that course.		
O.	Revise Certificate	Medical Billing and Coding Specialist COP 70 cr total
Rationale: Corresponds to degree revision with addition of BUS 100 to the program plan to accommodate student access to I-BEST services for that course.		
P.	Revise Certificate	Medical Reception COP 54 cr total
Rationale: Corresponds to degree revision with addition of BUS 100 to the program plan to accommodate student access to I-BEST services for that course.		
Resolution: Items L-P: Jake made a motion to approve; Maggie seconded. Motion carried. <i>Effective: Fall 2018</i>		
Q.	Revise Certificate	Community, Health, & Wellness Advocate COC 19 cr total
Rationale: Updates program plan to align with current course offerings in associated departments.		
Resolution: Courtney made a motion to approve; Tamara seconded. Motion carried. <i>Effective: Fall 2018</i>		
Proposals from Tamra Bell:		
R.	Discussion	Distribution List for Transfer Degrees
Rationale: Rename to reduce student confusion to "Distribution List".		
Resolution: Approved by consensus. <i>Effective: Summer 2018</i>		
S.	Discussion	Distribution List for Human Relations
Rationale: Relocate on the website to increase student access and rename.		
Resolution: Approved by consensus. <i>Effective: Summer 2018</i>		
T.	Revise Degrees	Industrial Technology Programs:

	Automotive Technology AAS Diesel Technology AAS Machine Trades AAS Advanced Manufacturing AAS Automotive Technology - Maintenance & Light Repair COP Diesel Technology – Heavy Equipment Preventative Maintenance COP Computer Numerical Control COP Machinist COP Process Manufacturing COP Manufacturing Occupations COP Fundamentals of Manufacturing COC Welding COP	128-136 cr total 124-132 cr total 107 cr total 104 cr total 72 cr total 67 cr total 72 cr total 68 cr total 64 cr total 51-53 cr total 25-29 cr total 61 cr total	
<p>Rationale: Requesting to eliminate the specific health requirement for the program. SBCTC eliminated the health requirement for Professional-Technical degree/certificate programs several years ago making it a local decision. This request will bring professional technical degrees in alignment with the existing standards for other degrees offered at LCC.</p> <p>Based on industry feedback and departments work to align with Guided Pathways in requesting to eliminate HLTH 100 Occupational Safety and Health and replace it with Industrial Safety as this course is better aligned for the trades. First-Aid/CPR will be covered by the addition of HLTH 105. Requesting to add MFG 100 Foundational Skills for the trades. This course is a contextualized version of COLL 101 that also addresses basic shop skills which is vital to and relevant to all Industrial Technology Programs.</p>			
<p>Resolution: Maggie made a motion to approve; Melinda seconded. Motion carried. <i>Effective: Fall 2018</i></p>			
U.	New Course	MFG 100 , Foundational Skills for the Trades	3 cr, 33 lec
<p>Rationale: Based on industry feedback and department work to better align programs with guided pathways initiatives, this a newly developed course that combines basic shop skills with college success and places emphasis on career development goals & soft skills. This course is to provide a more industry focused and applied version of COLL 101.</p>			
<p>Resolution: Tamara made a motion to approve; Kyle seconded. Motion carried. <i>Effective: Fall 2018</i></p>			
V.	Revise Course	AMTC 104 , Automotive Electrical Systems	15 cr, 99 lec, 132 lab
<p>Rationale: The purpose of this proposal is to consolidate AMTC 101 and 102. This will make it much easier for students to navigate through the program.</p>			
W.	Revise Course	AMTC 105/DHET 105 , Vehicle Climate Control	5 cr, 44 lec, 22 lab
<p>Rationale: The purpose of this proposal is to update the course and number due to other course numbers also needing to change. The credits are being lowered to be more realistic for the course needs. The prerequisite changed because the other class course number also changed. AMTC 104 renumber to AMTC 105.</p>			
X.	Revise Course	AMTC 114 , Automotive Chassis	15 cr, 99 lec, 132 lab
<p>Rationale: The purpose of this proposal is to consolidate AMTC 111,112 and 215 (now AMTC 114). This will make it much easier for students to navigate through the program.</p>			
Y.	Revise Course	AMTC 124 , Automotive Engines	15 cr, 99 lec, 132 lab
<p>Rationale: The purpose of this proposal is to consolidate AMTC 121 and 122 (now AMTC 124). This will make it much easier for students to navigate through the program.</p>			
<p>Resolution: Items V-Y and DD: Tamara made a motion to approve; Courtney seconded. Motion carried. <i>Effective: Fall 2018</i></p>			
Z.	Revise Course	AMTC 206 , Fuels and Emissions	15 cr, 99 lec, 132 lab
<p>Rationale: Requesting to rename course from AMTC 201 to AMTC 206. Course is discrete and in a series but not sequential with a pre-req. Requesting to increase the credits to match the hours spent in lecture and lab. Course increase from 12 credits to 15 credits.</p>			
AA.	Revise Course	AMTC 207 , Computer Engine Controls	15 cr, 99 lec, 132 lab
<p>Rationale: Requesting to rename course from AMTC 202 to AMTC 207. Course is discrete and in a series but not sequential with a pre-req. Requesting to increase the credits of the class to match the hours spent in lecture and lab. Course increase from 12 credits to 15 credits.</p>			
BB.	Revise Course	AMTC 214 , Automotive Drivetrains	15 cr, 99 lec, 132 lab
<p>Rationale: The purpose of this proposal is to consolidate AMTC 216 and 217 (now AMTC 214) and to increase the credits of the class to match the hours spent in lecture and lab. This will make it much easier for students to navigate through the program.</p>			
<p>Resolution: Items Z-BB: Courtney made a motion to approve; Mary seconded. Motion carried.</p>			

<i>Effective: Fall 2018</i>		
CC. Revise Course	DHET 104, Electrical Systems	15 cr, 99 lec, 132 lab
Rationale: DHET 101 (5 cr) and DHET 102 (10 cr) to be combined into one 15 cr class (DHET 104). This will reduce confusion in scheduling. Attached is the revised DHET 104 course containing the combined course description and outcomes.		
Resolution: Items CC, EE, FF: Maggie made a motion to approve; Betsy seconded. Motion carried. <i>Effective: Fall 2018</i>		
DD. Revise Course	DHET 105/AMTC 105, Vehicle Climate Control	5 cr, 44 lec, 22 lab
Rationale: The purpose of this proposal is to update the course and number due to other course numbers also needing to change. The credits are being lowered to be more realistic for the course needs. The prerequisite changed because the other class course number also changed. DHET 104 is renumbering to DHET 105.		
Resolution: Items V-Y and DD: Tamara made a motion to approve; Courtney seconded. Motion carried. <i>Effective: Fall 2018</i>		
EE. Revise Course	DHET 114, Heavy Duty Brakes and Chassis	15 cr, 99 lec, 132 lab
Rationale: This proposal combines DHET 111 Hydraulic brakes (5 cr) DHET 115 Air Brakes (5 cr) and DHET 125 Heavy Duty Chassis (5 cr) into one 15 credit class. (DHET 114). This will help reduce scheduling confusion.		
FF. Revise Course	DHET 210, Diesel Engine Rebuild	15 cr, 99 lec, 132 lab
Rationale: Revise DHET 210 from 16 credits to 15 credits. Change lecture/lab credits to more accurately reflect time spent.		
Resolution: Items CC, EE, FF: Maggie made a motion to approve; Betsy seconded. Motion carried. <i>Effective: Fall 2018</i>		
GG. Revise Course	DHET 228, Commercial Driving	4 cr, 44 lec
Rationale: Change DHET 228 to a 4 credit-non variable course. Presently the course is 2-4 credits/variable. This creates some confusion and funding difficulties for diesel students. The 2 credit option was one of those ideas that work good in theory but not in application.		
Resolution: Maggie made a motion to approve; Melinda seconded. Motion carried. <i>Effective: Fall 2018</i>		
HH. Retire Course	DHET 216, Auto/Diesel Tune-up and Performance	5 cr, 22 lec, 66 lab
Rationale: Retire DHET 216. Requesting to eliminate DHET 216 from the list of recommended electives for the program as this course is no longer being offered.		
Resolution: Courtney made a motion to approve; Tamara seconded. Motion carried. <i>Effective: Fall 2018</i>		
II. Revise Degree	Diesel/Heavy Equipment Technology AAS	124-132 cr total
Rationale: Increase the elective credits from 9 to 10. This will enable diesel students to take the ten-credit truck driving classes and align with financial aid requirements.		
Resolution: Maggie made a motion to approve; Betsy seconded. Motion carried. <i>Effective: Fall 2018</i>		
JJ. Revise Degree	Welding AAS Welding COP	103 cr total 61 cr total
Rationale: As part of assessment work, updating student learning outcomes for both the Welding AAS and COP.		
Resolution: Approved by consensus. <i>Effective: Fall 2018</i>		
KK. Revise Course	WELD 154, Introduction to Oxy-Acetylene	2-6 cr, 33 lec, 66 lab
Rationale: Request to change course numbers to coincide with the suggested course numbering scheme. (Discrete course not part of a series.) WELD 151 change to WELD 154.		
LL. Revise Course	WELD 155, Introduction to Arc Welding	2-10 cr, 11-55, 22-110 lab
Rationale: Request to change course numbers to coincide with the suggested course numbering scheme. (Discrete course not part of a series.) WELD 152 change to WELD 155.		
Resolution: Items KK and LL: Maggie made a motion to approve; Tamara seconded. Motion carried. <i>Effective: Fall 2018</i>		
MM.
