Effective Summer 2023

Proposal from Louis LaPierre:

A. Revise Course	ENVS& 100 (was ENVS 150) , Survey of Environmental Science (revising title, number, description, outcomes)	5 cr, 55 lec
<p>Rationale: For some time I've been considering 'retiring' ENVS 150 - Environment and Society and replacing it with the CCN course ENVS& 100 - Survey of Environmental Science. The impact should be minimal because the content will remain largely the same. However, it will no longer qualify as a Diversity Course, which I feel is fine given that it is rarely (never?) accepted as such by transfer institutions (in particular, WSU), and it has always been a stretch to meet LCC Diversity Course criteria sensu stricto. The other reason relates to College in the High School, for which the CCN version of the course carries more transfer weight.</p>		
<p>Resolution: Merry made a motion to approve; Tamara seconded. Motion carried. <i>Effective: Summer 2023</i></p>
